It cannot be set aside merely on the possibility of a contra view. A judgment of acquittal should not be interjected until findings are perverse, arbitrary, foolish, artificial, speculative and ridiculous. Interference in a judgment of acquittal is rare and the prosecution must show that there are glaring errors of law and fact committed by the Court in arriving at the decision, which would result into grave miscarriage of justice; the acquittal judgment is perfunctory or wholly artificial or a shocking conclusion has been drawn.

73		Civil Revision 24/1983 (S.B.) Sindh High Court, Bench at Sukkur	1983	Wadhno and others (Applicant) VS Kambir Khan and others (Respondent)	Judgement	No notice before filing of a Suit is mandatory under section 70 of The West Pakistan Agricultural Development Corporation Ordinance, 1961 as it is only applicable in respect of an act purporting to be done under this Ordinance, whereas, impugned orders were passed under the West Pakistan Land Revenue Act, Bar of jurisdiction of a Civil Court is not always absolute; but in exceptional circumstances when an action is without jurisdiction or is tainted with mala fides, the court has jurisdiction.
74		Civil Revision 112/2005 (S.B.) Sindh High Court, Bench at Sukkur	2005	Abdul Hakeem (Expired), thr:his L.Rs. (Applicant) VS Mst.Allah Dini and others (Respondent)	Judgement	A pedigree table is not a mandatory condition to claim share in the estate of the deceased but the case has to be proved through cogent evidence. In Pakistan it is a presumption that a muslim to a lis is a follower of Sunni Sect; unless the contrary is pleaded and proved.
75	2022 PLD Sindh 47	Civil Ref. 2/2018 (F.B.) Sindh High Court, Karachi	2018	Assistant Chief Inspector of Stamps (Appellant) VS .. (Respondent)	Judgement	The Court had itself observed that the valuation done by the family Court was for a particular purpose and since it was not a decree of a Court the valuation so carried out was not binding. And then the Court went on to observe that even if there is a decree of the Court, the stamp duty would be payable as per Valuation Table. Though on facts the said judgment is not relevant; nonetheless, since it has been cited before this Full Bench, therefore, we are compelled to hold that we do not approve such observations made by the Division Bench in the aforesaid paragraph. Had it been in performance of decree, an instrument is being registered, it ought to be on the basis of value determined in the decree and/or agreement entered into for which performance is to be made in terms of Court decree. In such situation there was no occasion for altering/undervaluing the property to avoid stamp duty as the value is already determined by Court of law or decree. It is only in case when the property has changed its status lawfully i.e. from a built-up property to an open plot or from a semi-constructed property to a fully constructed property, the value of the property may be altered in instrument sought to be registered. Thus, when the property sold out on the basis of a decree, which decree has valued the property in question, then the right of valuing the property does not rest with the vendor and vendee and/or the concerned authority. 77		Civil Revision 63/2000 (S.B.) Sindh High Court, Bench at Sukkur	2000	Sachedino Kalwar (Applicant) VS Province of Sindh and others (Respondent)	Judgement	Applicant first chose to contest the matter before the Revenue authority by filing its objections and attending hearings, and then once the order was passed, filed a Suit challenging the same. When an order is an appealable order in terms of s.161 ibid, which has not been availed, then the very maintainability of the Suit under section 9 CPC is big question mark; and impliedly bars jurisdiction of the Civil Court in such matters where the jurisdiction to adjudicate exclusively vested with the revenue Courts. Admittedly, the Applicant failed to avail the statutory remedied of appeal and revision before the Commissioner and the Board of Revenue respectively against the orders passed by the Assistant Commissioner
78		Const. P. 183/2020 (D.B.) Sindh High Court, Bench at Sukkur	2020	Ali Bux Chohan & Another (Petitioner) VS P.O Sindh & Others (Respondent)	Order	Petitions seek execution and/or implementation of orders passed by the Anti-Encroachment Tribunal, Sukkur. we have noticed with concern that the Anti-Encroachment Tribunal is passing orders and is disposing of the complaints apparently in a slipshod manner inasmuch as on the one hand, certain directions are given to carry out demarcation and survey of the property, only then an order for removal of the encroachment has to be passed. Both directions at the same time and final disposal of a complaint are unwarranted as it creates further complications. The above provision clearly provides that the Tribunal is the final authority to determine all disputes, whereas, it has to conclusively determine the rights of the parties to a dispute. In view of hereinabove facts and circumstances of this case, both these Petitions are dismissed as not maintainable.

The injunction application has been dismissed; and application under Section 34 has been allowed by staying the proceedings of Suit, as provisions of Section 41 of the Arbitration Act cannot be invoked by a Plaintiff for an interim relief who has filed a Suit for Declaration instead of invoking the provision of the Arbitration Act, and further that the notification for placing the employment of PIA under Essential Services has been validly issued.

234		Const. P. 3757/2013 (D.B.) Sindh High Court, Karachi	2013	Yaqoob Ahmed (Petitioner) VS Fed. of Pakistan and Ors (Respondent)	Judgement	A Divisional Bench of this Court comprising of Mr. Justice Aqeel Ahmed Abbasi and Mr. Justice Muhammad Junaid Ghaffar, has pronounced the judgment on 02.07.2020, filed by large number of petitioners, whereby, imposition of Income Support Levy at the rate of 0.5% on the value of Net Moveable Assets, through Income Support Levy Act, 2013, has been challenged for being ultravires to Constitution, as according to petitioners, subject levy did not possess the characteristic of a tax, therefore, could not be introduced through Finance Act 2013, along with Money Bill in terms of Article 73 of the Constitution of Islamic Republic of Pakistan, 1973. The subject levy was also challenged for being violative of the provisions of Article 25 of the Constitution of Islamic Republic of Pakistan, as according to petitioners, Income Support Levy is discriminatory in nature, as it creates unreasonable classification between the same class of persons having Net Moveable Assets exceeding Rs.1.00 Million. The Hon'ble Divisional Bench of this Court, after having examined in detail all the constitutional and legal points involved in these petitions, has been pleased to allow the petitions in the following terms:- (i) The levy imposed through Income Support Levy Act, 2013 alongwith Money Bill, does not possess the characteristics of a tax, as it is not a common burden for raising revenue to be utilized for general public purpose, on the contrary, it is a levy in the nature of fund to be charged and utilized for a specific purpose i.e. ?to provide for financial resources for raising an income support fund for the economically distressed persons and their families?. Accordingly, the Income Support Levy Act, 2013, could not be introduced through Finance Act, 2013, in terms of Article 73 of the Constitution of Islamic Republic of Pakistan, 1973, the same is hereby declared to be ultra vires to the Constitution of Islamic Republic of Pakistan, 1973. (ii) The levy imposed through Income Support Levy Act, 2013, is hereby declared to be ultravires to the Constitution for being discriminatory, as it creates unreasonable classification within the same class of person i.e. persons having Net Moveable Wealth exceeding Rs.1.00 M (One Million), whereas, its incidence and charge of levy falls un-equally upon the existing taxpayers only, who file or required to file Wealth Statement under Section 116 along with their Income Tax Return under Section 115 of the Income Tax Ordinance, 2001, , however, non-existing taxpayers, who are not required under law, or do not file their Wealth Statement along with Income Tax Return, inspite of having much higher Net Moveable Wealth, exceeding Rs.1.00 M (One Million), have been excluded from the incidence and charge of such levy, which is in clear violation of Article 25 of the Constitution of Islamic of Pakistan, 1973. (iii) All the Notices and the proceedings, including assessment order(s) passed under Section 5 of the Income Support Levy Act, 2013 after repeal of the Income Support

Sindh High Court, Karachi	2019	MUHAMMAD YOUSUF AHMED & OTHERS (Applicant) VS ARTISTIC DENIM MILLS LIMITED (Respondent)	Order	The Petitioners hold 14.45% shares in respondent Company and are aggrieved by the notice as well as the proceedings of the impugned Meeting dated 19.10.2019 and the resolutions passed thereon, whereby, related party transactions were approved in respect of 2 Companies, which have certain common Directorship. It is their case that they hold more than 10% of the shareholding and are, therefore, qualified to institute present proceedings, under s.136 of the Companies Act, 2017 which according to them has seriously prejudiced their interests. According to them statement of material facts under Section 134(3) of the Act, annexed with the impugned notice of meeting, failed to include the minimum information required under Regulation-5 of the Company (Related Parties Transactions and Maintenance of Related Records) Regulations, 2018, whereas, the meeting was also conducted without following proper procedure and has deprived the Petitioners from exercising their rights. However, the Petitioners have failed to make out a case for indulgence; hence, this petition fails and is accordingly dismissed with pending applications.
237		Suit 579/2014 (S.B.) Sindh High Court, Karachi	2014	Mr. Asif Mannan & others (Plaintiff) VS Mr. Suleman Lallani & others (Respondent)	Order	The Plaintiffs being minority shareholders in Defendant No.9 (Company in question) are primarily aggrieved with payment of Rs.430.944 Million to Defendant No.8 as advisory fee and its post facto approval from shareholders, and since admittedly the quantum of Plaintiff's shareholding is less than what is required to maintain a Company petition under the then Companies Ordinance 1984, and even under the Companies Act, 2017, instant Suit has been filed under the Ordinary Civil jurisdiction of this Court by relying upon the exception to the rule settled in the case of [Foss v Harbottle (1843) 67 ER 189]. Their case is that the alleged transaction has caused a tremendous loss to the Company in question and as a consequence thereof, the shareholders have lost substantial amount of their money, and therefore, the present Suit in the form of a derivative action is competent. However, Plaintiffs have not been able to convince this Court that their case as set-up for the purposes of interim relief, (at least), would fall within the exception to rule laid down in Foss v Harbottle; rather, on facts it is covered by the said judgment; hence, the applications filed on behalf of the Plaintiffs at Serial No. 1, 3 & 4 (CMA Nos.4651/2014, 588/2015 and 13510/2015) are hereby dismissed.

It has been held by the Court that the Plaintiffs have not been able to make out a case in their favor, in that the beverage industry cannot be called or classified as an agro-based industry for the purposes of exemption claimed under SRO 575; nor they are protected under the doctrine of past practice, once it is held that such practice was a wrong practice.

Defendants opposed this application on the ground that section 56 (e) of the Specific Relief Act bars grant of any such permanent injunction; hence, no temporary injunction can be granted. The Court repelled this argument and allowed the injunction application by passing a temporary injunction and restrained the Defendants from using such cheques in any manner pending trial of the Suit.

251		Suit 1670/2018 (S.B.) Sindh High Court, Karachi	2018	Liaquat Ali Bhatti & others (Plaintiff) VS Pakistan International Airlines Corporation & ors (Defendant)	Order	The issue involved in this Suit was in respect of promotions of private Defendants as Chief Engineers from Deputy Chief Engineers in PIA and leaving out the Plaintiffs though they were admittedly senior. It was claimed by PIA that neither seniority nor promotion is a vested right; hence, no case is made out by the Plaintiffs; however, there being no cavil to this legal proposition; such contention has been repelled by the Court and the impugned order of promotion of private defendants has been suspended, for the reason that firstly the Plaintiffs have not been provided with any reason or justification as to why they have been left out; and secondly, even the Court was not assisted as to the entire material and record for promoting private defendants, and therefore, the Plaintiffs cannot be left without any remedy. They being seniors at least ought to have been communicated with a proper response for not being considered so that they could have availed any further remedy as per law; and this has been found a valid ground for suspending the impugned order, whereas, if the management of PIA feels that due to exigency, fresh proceedings are necessary for carrying out promotion(s); then they are at liberty to do so but in accordance with the Agreement and the revised policy, if any, and so also keeping in mind the discussion made hereinabove, including consultation with Defendant No.2 as per the Agreement.
252		Adm. Suit 10/2017 (S.B.) Sindh High Court, Karachi	2017	M/S. SING FUELS PTE LTD (Plaintiff) VS M.V. YASA AYSEN AND OTHERS (Defendant)	Order	Admiralty case for arrest of Vessel in respect of Bunker Supply Through this is a Suit under Section 3(2) of the Admiralty Jurisdiction of High Courts Ordinance, 1980 the Plaintiff had sought recovery of US\$ 667,599.35 in respect of the principal outstanding amount, interest, damages and legal costs etc. and had also sought issuance of warrants of arrest for the Vessel i.e. Defendant No.1 and detain the same until sufficient guarantees are furnished for the outstanding claim of the Plaintiff. As an interim measure the vessel was arrested and allowed to sail after furnishing surety for the principal amount. According to the Plaintiffs the Defendant No.5 (?Charterers?) contacted for supply of bunkers to the Vessel in question owned and operated by Defendant No.2 to 4 (?Owners?). It is the case of the Plaintiff that requisite bunkers were supplied, whereas, Charterer has defaulted in making payments and therefore, owners as well as Charterers are liable to pay jointly and severally. The plaintiff's argument has been repelled by the Court and the application for arrest of vessel has been dismissed in this matter and surety has been ordered to be released / discharged in favor of the owners as the bunker delivery note very clearly and specifically mentions that the supply of bunkers by the bunker supplier is on ?Charterers Account?. This is an admitted document and placed on record by the Plaintiff itself. Admittedly nothing has been placed on record so as to suggest that at any point of Time; the plaintiff ever approached the owners of the Vessel before entering into any contract for supply of the bunkers. Nothing has been placed or even pleaded as to whether any consent of the owners of the Vessel was ever sought for making supplies of bunkers and the liability of any payment on the part of the owners in case of any default. It has been further held that the Plaintiff here has not been able to show or substantiate that the Time Charterer had any sort of authority to contract on behalf of the owners or the Vessel; and secondly, even otherwise to safeguard its interest, knowingly that its claim against the Vessel and owner would fail, had obtained sufficient security in the shape of postdated cheques, and is at full liberty to seek its encashment, and if not, then any other appropriate remedy as may be available for it in accordance with the applicable laws. The Plaintiff under no circumstances can be permitted to take undue advantage under the Admiralty jurisdiction of this Court by arrest of the Vessel and then compelling and dragging the owners to pay the amount being claimed when no case for a claim in personam has been arguably made out. The application is therefore dismissed.

253		Suit 2013/2015 (S.B.) Sindh High Court, Karachi	2015	M/s. A.F Ferguson & Co., & Others. (Plaintiff) VS Pakistan & Others. (Defendant)	Judgement	In all these Suits the claim of the Plaintiffs was to the effect that in terms of Section 92 of the Income Tax Ordinance, 2001 there is no compulsion or restriction that it is only the firm which can file its return and pay taxes on the income, as at the same time, the partners of the firm are also qualified to file their return and pay the tax accordingly and in that situation the firm would not be liable to pay any tax on the income on which the partners have already paid the tax. According to the Plaintiffs, Section 92 does not prohibit the partners from paying tax on their income as against the same by the firm. Their further case was that the inverse of what is provided in Section 92 is permitted as not being prohibited or restricted; however, the contention of the Plaintiffs is held to be misconceived as this would defeat the intention of the legislature and would rather amount to do legislation in favour of the Plaintiffs. The law as it stands today provides a clear mechanism and the principle of taxation which has to be applied on the firm, whereas, nothing could be read into the said provision. It is settled law that the function of the Courts is only to expound and not to legislate. In view of such position, all Suits have been dismissed by holding that the firm i.e. the Plaintiff No. 1 in all these Suits was required to file its return and pay the tax accordingly; and not the partners individually in respect of the income received from the association of persons or the firm; and once the tax is paid by the firm, then the partners are not required to pay any tax on such income.

Sindh High Court, Karachi	2021	THE STATE THROUGH CHAIRMAN NAB (Appellant) VS RAI TALAT MAQBOOL AHMED & ORS (Respondent)	Order	It is further settled that acquittal carries with it double presumption of innocence; it is reversed only when found blatantly perverse, resting upon fringes of impossibility and resulting into miscarriage of justice. It cannot be set aside merely on the possibility of a contra view. A judgment of acquittal should not be interjected until findings are perverse, arbitrary, foolish, artificial, speculative and ridiculous. Interference in a judgment of acquittal is rare and the prosecution must show that there are glaring errors of law and fact committed by the Court in arriving at the decision, which would result into grave miscarriage of justice; the acquittal judgment is perfunctory or wholly artificial or a shocking conclusion has been drawn.

784		Const. P. 183/2020 (D.B.) Sindh High Court, Bench at Sukkur	2020	Ali Bux Chohan & Another (Petitioner) VS P.O Sindh & Others (Respondent)	Order	Petitions seek execution and/or implementation of orders passed by the Anti-Encroachment Tribunal, Sukkur. we have noticed with concern that the Anti-Encroachment Tribunal is passing orders and is disposing of the complaints apparently in a slipshod manner inasmuch as on the one hand, certain directions are given to carry out demarcation and survey of the property, only then an order for removal of the encroachment has to be passed. Both directions at the same time and final disposal of a complaint are unwarranted as it creates further complications. The above provision clearly provides that the Tribunal is the final authority to determine all disputes, whereas, it has to conclusively determine the rights of the parties to a dispute. In view of hereinabove facts and circumstances of this case, both these Petitions are dismissed as not maintainable.

890	2021 CLD 134	Judicial Companies Misc. 33/2019 (S.B.) Sindh High Court, Karachi	2019	MUHAMMAD YOUSUF AHMED & OTHERS (Applicant) VS ARTISTIC DENIM MILLS LIMITED (Respondent)	Order	The Petitioners hold 14.45% shares in respondent Company and are aggrieved by the notice as well as the proceedings of the impugned Meeting dated 19.10.2019 and the resolutions passed thereon, whereby, related party transactions were approved in respect of 2 Companies, which have certain common Directorship. It is their case that they hold more than 10% of the shareholding and are, therefore, qualified to institute present proceedings, under s.136 of the Companies Act, 2017 which according to them has seriously prejudiced their interests. According to them statement of material facts under Section 134(3) of the Act, annexed with the impugned notice of meeting, failed to include the minimum information required under Regulation-5 of the Company (Related Parties Transactions and Maintenance of Related Records) Regulations, 2018, whereas, the meeting was also conducted without following proper procedure and has deprived the Petitioners from exercising their rights. However, the Petitioners have failed to make out a case for indulgence; hence, this petition fails and is accordingly dismissed with pending applications.
891		Suit 579/2014 (S.B.) Sindh High Court, Karachi	2014	Mr. Asif Mannan & others (Plaintiff) VS Mr. Suleman Lallani & others (Respondent)	Order	The Plaintiffs being minority shareholders in Defendant No.9 (Company in question) are primarily aggrieved with payment of Rs.430.944 Million to Defendant No.8 as advisory fee and its post facto approval from shareholders, and since admittedly the quantum of Plaintiff's shareholding is less than what is required to maintain a Company petition under the then Companies Ordinance 1984, and even under the Companies Act, 2017, instant Suit has been filed under the Ordinary Civil jurisdiction of this Court by relying upon the exception to the rule settled in the case of [Foss v Harbottle (1843) 67 ER 189]. Their case is that the alleged transaction has caused a tremendous loss to the Company in question and as a consequence thereof, the shareholders have lost substantial amount of their money, and therefore, the present Suit in the form of a derivative action is competent. However, Plaintiffs have not been able to convince this Court that their case as set-up for the purposes of interim relief, (at least), would fall within the exception to rule laid down in Foss v Harbottle; rather, on facts it is covered by the said judgment; hence, the applications filed on behalf of the Plaintiffs at Serial No. 1, 3 & 4 (CMA Nos.4651/2014, 588/2015 and 13510/2015) are hereby dismissed.
892		Suit 840/2019 (S.B.) Sindh High Court, Karachi	2019	M/s. Zafa Pharmaceuticals Labs (Pvt) Ltd. (Plaintiff) VS Federation of Pakistan & Others. Injunction allowed and impugned order passed by Drug Appellate Board suspended.
893		Suit 1076/2013 (S.B.) Sindh High Court, Karachi	2013	Digri Sugar Mills Limited and others. (Plaintiff) VS Mian Kamran Elahi and others. (Defendant)	Order	In a Suit for Declaration, Injunction, Cancellation, Rendition of Accounts and Recovery, Plaintiffs had sought a restraining order against Defendants from presenting postdated cheques given as security pursuant to written agreements between the parties; or to use the same for any criminal proceedings or otherwise. Defendants opposed this application on the ground that section 56 (e) of the Specific Relief Act bars grant of any such permanent injunction; hence, no temporary injunction can be granted. The Court repelled this argument and allowed the injunction application by passing a temporary injunction and restrained the Defendants from using such cheques in any manner pending trial of the Suit.

899		Suit 1670/2018 (S.B.) Sindh High Court, Karachi	2018	Liaquat Ali Bhatti & others (Plaintiff) VS Pakistan International Airlines Corporation & ors (Defendant)	Order	The issue involved in this Suit was in respect of promotions of private Defendants as Chief Engineers from Deputy Chief Engineers in PIA and leaving out the Plaintiffs though they were admittedly senior. It was claimed by PIA that neither seniority nor promotion is a vested right; hence, no case is made out by the Plaintiffs; however, there being no cavil to this legal proposition; such contention has been repelled by the Court and the impugned order of promotion of private defendants has been suspended, for the reason that firstly the Plaintiffs have not been provided with any reason or justification as to why they have been left out; and secondly, even the Court was not assisted as to the entire material and record for promoting private defendants, and therefore, the Plaintiffs cannot be left without any remedy. They being seniors at least ought to have been communicated with a proper response for not being considered so that they could have availed any further remedy as per law; and this has been found a valid ground for suspending the impugned order, whereas, if the management of PIA feels that due to exigency, fresh proceedings are necessary for carrying out promotion(s); then they are at liberty to do so but in accordance with the Agreement and the revised policy, if any, and so also keeping in mind the discussion made hereinabove, including consultation with Defendant No.2 as per the Agreement.

900		Adm. Suit 10/2017 (S.B.) Sindh High Court, Karachi	2017	M/S. SING FUELS PTE LTD (Plaintiff) VS M.V. YASA AYSEN AND OTHERS (Defendant)	Order	Admiralty case for arrest of Vessel in respect of Bunker Supply Through this is a Suit under Section 3(2) of the Admiralty Jurisdiction of High Courts Ordinance, 1980 the Plaintiff had sought recovery of US\$ 667,599.35 in respect of the principal outstanding amount, interest, damages and legal costs etc. and had also sought issuance of warrants of arrest for the Vessel i.e. Defendant No.1 and detain the same until sufficient guarantees are furnished for the outstanding claim of the Plaintiff. As an interim measure the vessel was arrested and allowed to sail after furnishing surety for the principal amount. According to the Plaintiffs the Defendant No.5 (?Charterers?) contacted for supply of bunkers to the Vessel in question owned and operated by Defendant No.2 to 4 (?Owners?). It is the case of the Plaintiff that requisite bunkers were supplied, whereas, Charterer has defaulted in making payments and therefore, owners as well as Charterers are liable to pay jointly and severally. The plaintiff's argument has been repelled by the Court and the application for arrest of vessel has been dismissed in this matter and surety has been ordered to be released / discharged in favor of the owners as the bunker delivery note very clearly and specifically mentions that the supply of bunkers by the bunker supplier is on ?Charterers Account?. This is an admitted document and placed on record by the Plaintiff itself. Admittedly nothing has been placed on record so as to suggest that at any point of Time; the plaintiff ever approached the owners of the Vessel before entering into any contract for supply of the bunkers. Nothing has been placed or even pleaded as to whether any consent of the owners of the Vessel was ever sought for making supplies of bunkers and the liability of any payment on the part of the owners in case of any default. It has been further held that the Plaintiff here has not been able to show or substantiate that the Time Charterer had any sort of authority to contract on behalf of the owners or the Vessel; and secondly, even otherwise to safeguard its interest, knowingly that its claim against the Vessel and owner would fail, had obtained sufficient security in the shape of postdated cheques, and is at full liberty to seek its encashment, and if not, then any other appropriate remedy as may be available for it in accordance with the applicable laws. The Plaintiff under no circumstances can be permitted to take undue advantage under the Admiralty jurisdiction of this Court by arrest of the Vessel and then compelling and dragging the owners to pay the amount being claimed when no case for a claim in personam has been arguably made out. The application is therefore dismissed.
